CHIDLOW matters...

What's been happening?

Great news for Chidlow Skate Park
When the skate park group met with representatives from the Shire of Mundaring on Friday, 30th August at the proposed skate park site in Chidlow to discuss future plans, they received some unexpected good news.
Mr Kirk Kitchen *(Recreation and Leisure),* and Mr Shane Purdy *(Infrastructure)* from the Shire agreed not only to apply for some State Government funding but also to take over the management of the project.
It seems that it is now a priority in Chidlow as we are the only community of our size not to have a skate park. Planning and surveying will start in 2020 with an expected completion date in 2021.

Change in Committee
The CPA would like to advise a recent change in committee members and welcome our new President, Mrs Janette Edwards. Janette will be supported in her role by Joint Vice-Presidents, Mrs Susan Gill and Mrs Jo Hallam.

New Defibrillator machine
The CPA are pleased to announce that the Hall is the home of a defibrillator machine obtained through the auspices of St John of God Lotterywest grant where the CPA had only to pay a nominal amount. It is expected that there will be training courses in the (hopefully) not too distant future but also the CPA would like to be able to offer First Aid courses to the community as well.

DON'T MISS OUT! Bendigo Bank Raffle: closing November
Instead of bestowing grants this year, the Bendigo Bank are giving community groups a chance to earn funds by selling raffle tickets to win $20,000 cash or one of five $1,000 Bendigo Bank savings accounts. Please help the Chidlow community by either getting a $50 book to sell or buying a $5 ticket. Books are available from from Jo Hallam, at Real Estate Plus, Chidlow.

Artsportive - New sports kid on the Chidlow block

Remember back in school when *'A' was for 'apple'.* Well Artsportive is all about A for Adventure, R for Recreation, T for Tours and S for Sports. *Hey that spells ARTS … Yep!* Thats because Artsportive delivers outdoor adventure, recreational tours and sports clinics in small group learning environments. We are the new kid on the Chidlow block and have just set up shop *(3/2 Memorial Ave, Chidlow)* over near the bakery, hairdresser and pharmacy.

But what about the fancy 'sportive' bit I hear you say?

1. *playful; light-hearted - "Coach Claire was in a sportive mood".*

In fact Artsportive aims to deliver every session, tour or clinic with a playful; light-hearted mood along with a hint of education, motivation and self improvement.

2. *relating to, interested in, or good at sport - "All our instructors are sportive."*

Coach Claire is actually a dual Paralympian *(Athens and Rio)*. She has raced all over the world and was once a World Champion so we figure she is pretty good at sport. She also has a health science degree, is a qualified personal trainer and works for a private primary school as a multi-sports coach.

In fact, at Artsportive all of our instructors/guides are qualified and experienced in their own specialty fields. We plan on delivering an array of sporting/recreational opportunities and learning experiences from the beautiful eastern hills location of Chidlow and Lake Leschenaultia.

We purposely keep groups small to ensure you get an immersive learning experience. Lessons/tours are anywhere from 1 to 3 hours and starting in September we roll out the *"Gumnut Kids Multisports Adventures"* allowing children to trial a variety of sports.

For adults we are starting with *"Lap the Lake"* a 6 week trail running course for anyone who wants to get moving.

Dual Paralympian, Claire McLean in Rio preparing for the for the 2016 Paralympic Games.

All bookings are online ***www.artsportive.com.au*** or if you see Coach Claire pottering in the office, stop in for a chit chat and take a look at the sports themed artwork and memorabilia.

SHOWTIME IS APPROACHING - 73rd Gidgegannup Agricultural Show

Springtime is Showtime in WA and the 73rd Gidgegannup Agricultural Show will be held on Saturday 26th October.

The Schedule is available now. A major change this year is that there will be no EFTPOS facilities at the Gates and entry will be by pre-purchased tickets or cash only. To buy your tickets in advance and have a quick, trouble-free entry to the Show, go to TryBooking.com, search for Gidge Show, then Buy Tickets – *nice and straightforward.* Alternatively you can purchase tickets at the Mundaring Community Branch of Bendigo Bank, Vibe IGA Xpress, Gidge, or Chidlow Posthouse.

Gidgegannup Agricultural Society is delighted and privileged to host the WA Farriers Association State Championships this year, taking place over Friday 25 and Saturday 26 October. In conjunction with the State Championships the first annual Australian Team Trials will be held, with a view to sending a 4-man National team to the British Farriers and Blacksmiths Association international competition at Stoneleigh Park, UK, in September 2020.

This year's judge is the highly skilled Canadian farrier Iain Ritchie who brings a wealth of experience and knowledge from the international competitive scene. Don't miss the opportunity to enjoy watching skilled farriers making, fitting and finishing specialised horseshoes – a traditional country craft brought right up to date.

Arena events including such crowd favourites as the Log Chop, Sheep Shearing and the Sheaf Toss *(Ladies' Prize Money for the Highest Toss now $80, girls)* are joined this year by an exhibition by Perth Dock Dogs members. Their dogs compete in jumping for distance or height from a dock into a body of water.

Livestock classes include Dairy and Miniature Goats, Sheep and fleeces, Beef Cattle, extensive Poultry varieties plus Dairy Cows on display.

The Hall classes this year include some new opportunities and the Show Cake is an uniced Carrot Cake. Please note that children's art, craft and photography entries can be received from 3.00-5.30pm on Thursday 24 October, to try to avoid congestion on the Friday afternoon.

And of course there will be the usual wide range of country crafts and industries, sideshows, entertainment and interesting food and refreshments to keep everyone happy.

Gates open to the public at 9.00am and free parking can be accessed by following the signs on Old Toodyay Road.

MUNDARING ARTS CENTRE & MIDLAND JUNCTION ARTS CENTRE

Celebrate the botanical world with the Mundaring What On Earth Open Day on Sunday 29 September from 10am – 3pm.

The Mundaring Arts Centre, Hall, Sculpture Park and surrounding locations will be blossoming with a cross-pollination of hands on activities, food, displays, talks and locally crafted things to buy.

What On Earth is a celebration of Western Australia's native flora and natural environment and presents a series of themed exhibitions, workshops and events across Mundaring, Midland and Perth. What On Earth is Mundaring Arts Centre's fourth annual icon project, with What A Tool, Habits of Horses and Machines and Makers presented in recent years.

At Mundaring Arts Centre you can enjoy two new exhibitions Peregrinations of a Citizen Botanist by Susie Vickery and a display of community works in Seeds, Pods and Pollen. Whilst you're there on the open day join Susie Vickery at 12pm for an artist talk or try your hand at stitching and felting with Katrina Virgona and Sarah Toohey from 11am-2pm.

In the hall you can have a go at still life drawing, ceramics or printmaking. Make a bee hotel and then bee amazed by the diversity of botanically inspired displays items for sale, activities, food and more from local community groups and businesses. As part of the floral festivities, the Rotary Club of Mundaring will also be coordinating a market on Nichol Street featuring an array of botanically inspired products for sale.

Midland Arts Centre Highlights

Up at the sculpture park you can have a go at papermaking, indigo dyeing and learn about Wogga rugs, take a short walk on the heritage trail and check out Mundaring Sharing at Craigie House. Plus there are more activities at the Library, Mundaring Station Master's House and Mundaring District Museum.

Mundaring Arts Centre's exhibitions run until October 27, and make sure you also head down to Midland Junction Arts Centre to see more What On Earth exhibitions. Wildflower State, Botanic Philharmonia, Tableware and Lush Valley | Swan Environmental Art Project are on display until 12th October.

Planting Day at Cookes Brook

Cookes Brook located near Rosedale Rd

Details

When: Sunday 6 October 2019, 9.00am to 11.00am
Where: Rosedale Rd opposite Lake Leschenaultia parking entrance (see map)
Where to park: – Lake Leschenaultia, turn right after entrance
What to bring: Hat; sturdy footwear; dress for weather; friends and family
Morning tea and planting tools supplied
RSVP: for catering purposes, Danae Warden on 0418 928 031 or email Danae.Warden@emrc.org.au for any other enquiries

Located opposite Lake Leschenaultia in Chidlow, Cookes Brook is suffering from erosion and weed invasion. By planting reeds and sedges in this Brook we will increase the health of this waterway.

Did you know? Cookes Brook runs into Wooroloo Brook which means it is part of the Wooroloo Brook Catchment. It directly influences the health of Wooroloo Brook and consequently the Swan River. Come and meet like-minded individuals and join us in improving this important reserve.

HOW DO PLANTS HELP?

Plants decrease erosion by stabilising the soil, and they improve water quality by providing filtration and aeration. Plants provide habitat and may attract local fauna such as the Slender Tree Frog, the Rattling Froglet, the Western Banjo Frog and the Motorbike Frog which are all found at Lake Leschenaultia. Native plants provide habitat for birds, insects and protection for bandicoots and other mammals.

MOUNT HELENA CLASSIC

incorporating the Whim Festival and Hills Billy Cart Festival

Sunday 27th October 2019 Pioneer Park, Mount Helena

It was the Dampier Billy Cart Derby that inspired the format of our own event, and so when given the opportunity by Matic Transport, one of our major sponsors, to transport Mount Helena carts to compete there, one family, the Blythes accepted the challenge and took their unique Itty Bitty Chitty and the Bartlett's Lamb's Tongue north. Matic also took our four carts along to be made available to any local families in difficult circumstances.

According to John's report it was a much more laid back affair than Mount Helena's but the emphasis was firmly on kids having fun. On race day our carts were the centre of attention and Yvonne Blythe and *"Itty Bitty Chitty"* became the centrepiece of footage on ABC. Everyone was interested in the city slickers coming to race in their event and provide extra carts for the locals.

Perhaps this year with Matic's assistance Dampier will enter carts in our competition.

Register your billy cart now to be part of the fun at *www.mounthelenaclassic.com .*

Music on the two stages at the Whim will be amazing this year. As well as the EHSHS concert bands, Phil Bourgault our entertainment coordinator has booked:

• Kevin McKenna, folk and blues singer and guitarist, renowned for his Bob Dylan songs;

• Ben Bulla, ex Eastern Hills, writes his own music and is now a WAAPA jazz guitar student;

• Blues ConFusion, local blues/rock fusion led by Phil, has Mt Helena drummer Bart Hayes, Wooroloo bass player Peter Hackett, former Mt Helena resident Debs Gill on vocals and Gidgegannup resident Allan Lester on saxophone.

• Band of Missfits is a great sounding punchy Indie rock group that plays original music written by the multitalented Kym Redmond from Stoneville.

• Fenton Oldmeadow is a great guitarist *(formerly with the Jets).* He has the successful Johnny Cash & Co Showband tribute show and performs solo or with his highly acclaimed Rockabilly band.

• The Brett Hardwick and his Sometimes Band - this trio is world class. Each member is a true virtuoso of their instrument. Brett, who is a superb guitarist and singer, has been running the musos jam session at the Chidlow tavern for the last 6 years.

• To finish the afternoon, we have Mindfreakz, extremely talented Mt Helena and EHSHS raised guitarist Jack Lowrie will rock you out with their *"Gods of Rock"* show show. Iconic rock hits from the late 60s - 70s, including ZZ top, Led Zeppelin and Jimi Hendricks.

Competitions are now open: the popular Whim Photography Exhibition has the theme of *"A Moment in Time"* with prizes in the categories of Primary School, Secondary School and Open as well as a section in each for sepia photographs alluding to our Turn Back Time section at the Whim.

Photographs can be of people, places or things evoking the past – portraits in your chosen period costume could be one inspiration. Entry is free and forms can be found in the Whim page of the website *www.mounthelenaclassic.com* or contact *whimphotocompetition2019@gmail.com* -prizes of course. There will also be the *Pop -Up Pics* competition for photos taken during the event– l*ook for details on the day.*

We have reintroduced our colourful Tea Towel Exhibition - buy a linen tea towel from us; decorate it; bring it to the Whim festival on October 27th for judging; *take it home after the event* - prizes in adult and children's sections. Tea towels can be picked up at Anne Lynch Conveyancing, Crafty Corner, Mundaring Sharing, Mundaring Information Centre or call Hannah on 0421 748 107.

Food: we have a range from gourmet to sausage sizzle booked but with our increasing crowds there is still plenty of room for more. Put out the word. We are interested in a good *...continued on page 16*

STRUCTURE PLAN 34 RECOMMENDED FOR REFUSAL

Shire of Mundaring Council voted unanimously to recommend refusal of the proposed North Stoneville Townsite Structure Plan 34 (SP34) at a Special Council Meeting on Tuesday night, 27th August.

The meeting, held at Mundaring Arena, was attended by more than 1000 community members.

Council was required to consider 957 public submissions, the Shire's planning assessment and to make a recommendation about the proposal to the Western Australian Planning Commission *(WAPC).*

The Shire's report to Council included a Traffic Impact Assessment. It identified that traffic generated by the proposed development would exacerbate road network capacity constraints and would therefore compromise public safety.

A motion to recommend refusal of SP34 included reasons such as traffic management, bushfire risks, environmental damage and a lack of public transport in the proposed area.

Shire President Cr John Daw said the proposal would now be considered by the WAPC, the authority responsible for determining the outcome of the development.

"Council trusts that the planning commission will seriously consider our recommendation and make a decision in the best interests of our community," he said.

"Of particular concern and a linchpin reason for refusal is the inability of the traffic network to cope with such a large volume increase in traffic which would compromise community and bushfire safety."

Cr Daw thanked everyone who participated in the Special Council meeting, especially the younger member of the community who contributed.

"I would also like to acknowledge the Chief Executive Officer Jonathan Throssell and the planning officers for their professional diligence in providing advice to Council, community members and the applicant."

Maybe you would like to continue on with the Newsletter or maybe not! The job can be split to help carry the load. A computer and printer is supplied as well as inks, paper and envelopes etc. It is an enjoyable job, generally. Not a huge job and you can add your voice to the Committee.
Either see me or Doris ASAP and we can arrange a handover meeting. I'm willing to help out, in anyway. *Thanks, Pauline.*
Don't forget you can borrow/swap books free; available in the office of the Lesser Hall.
